

# To add Authority Solutions® to Tag Manager:

- 1. Go to [Tag Manager](#).
- 2. Click **Admin**.

- 3. In the *Account* column, select **User Management**.

- 4. Click .
- 5. Select **Add new users**.
- 6. Enter the email address **loidie@authoritysolutions.com**.
- 7. Set **Account Permissions**. Select **Administrator** - The user should be able to create new containers and modify user permissions for accounts and containers.

Send invitations

A screenshot of the 'Send invitations' form in Tag Manager. The form has two main sections: 'Email addresses' and 'Account permissions'. In the 'Email addresses' section, the email 'loidie@authoritysolutions.com' is entered. In the 'Account permissions' section, the 'Administrator' role is selected with a red circle and a checkmark. Below it, the 'User' role is also selected with a checkmark. At the bottom right, there is a 'Publish' button with a right arrow.

- 8. Click **Invite**. Each invited user will receive an [invitation](#) to use the container.
